ORDINANCES

A. Ordinance Amendment / Articles 18 & 26, Garden Ornaments – 1st Reading

At its October 20, 2015 meeting, the Planning Commission conducted a public hearing to consider text amendments to Article 18 General Provisions and Article 26 Construction of Language and Definitions in the Zoning Ordinance.

The proposed text amendments provide regulations to Article 18 regarding the placement of garden ornaments, as defined, in the front yard setback. The regulations would allow garden ornaments in a front yard setback, provided it does not interfere with visibility from a driveway or intersection. Article 26 is amended to include the definition of garden ornament.

The Planning Commission is recommending approval of the proposed changes to Articles 18 and 26. Communication from the City’s Planning Consultant and the proposed zoning ordinance text amendments were presented.

Council Comments and Discussion: In response to a question from Council, it was answered that the Building Official determines what constitutes a fence based on the definition in the City Ordinance. Council requested language be added to the Ordinance defining front yard setback before second reading.

Motion Darga, seconded by Price to introduce for first reading the proposed amendments to Article 18 General Provisions and Article 26 Construction of Language and Definitions pertaining to garden ornaments in the City of Northville Zoning Ordinance as presented, with second reading and possible adoption scheduled for December 7, 2015. **Motion carried unanimously.**
