Program Report

Director Sue Campbell reported that she has finished mentor training and expects to get many kids matched with new mentors and make good progress on reducing the waiting list. She reviewed upcoming and recent mentor/mentee events.

Camp Hillside and Meads Mill registrations are starting to come in. She expects the programs to fill quickly.

As expected, Summer Camp Scholarship applications are down significantly from last year due to the new income qualifier. To date, \$7,000 has been granted.

Financial Report

Year to date financials were presented; everything as expected.

Old Business

None

New Business

Sue is currently looking for volunteers to help with the community garden that NYA does each year. While the initial planting date is not known, she encouraged Commissioners to join them if possible. She also encouraged Commissioners to participate in Challenge Day at Hillside if possible. The dates are June 2, 3 and 4.

It was suggested that we add a liaison report from each of our liaison positions each month – The City of Northville, Northville Township and Northville Schools. Symantha Heath provided a brief update of the Township.

Adjournment

The meeting was adjourned at 8:36 am.

**The next Commission meeting is Tuesday, June 9 at 8 a.m. at the
Northville Community Center.**
