6. FEES AND STATEMENT

Standard Permit Application Fees and Tree Replacement must be paid before permit will be issued. Information on permit and replacement fees is noted below.

Standard Permit Application Fees

1-3 trees removed	\$ 80
4-6 trees removed	\$140
7-25 trees removed	\$280
25 or more trees removed	\$280 plus \$5 per tree removed in excess of 25 trees

Standard Tree Replacement Fees (fee is PER TREE removed)

Trees 6"-11" dbh (fee is per tree removed)	\$ 430
Trees 11.1"-20" dbh (fee is per tree removed)	\$ 840
Trees over 20" dbh (fee is per tree removed)	\$1,240
Landmark/historic Trees	Fee is \$410 per 2.5" of dbh of required replacement tree(s)

Please note: Standard Tree Replacement Fees shall be assessed if the Building Official or Planning Consultant concur that on-site mitigation is not feasible. These fees must be paid before the tree removal permit is issued. The Building Department will notify you of the Tree Replacement Fee amount due, if required.

Any removal of protected or landmark/historic trees before a Tree Removal Permit has been issued will subject the property owner and/or responsible entity, such as a contractor, to penalties and/or civil fines per Section 90-38 in the Code of Ordinances.

I understand that there may be deed restrictions that would prohibit this activity and will check the title for any deed restrictions and/or covenants. I hereby certify that the proposed work is authorized by the Owner of Record and that I have been authorized by the owner to make this application as his/her authorized agent and that we agreed to conform to all applicable laws of this jurisdiction.

I understand that the standard application fee for tree removal and any tree replacement fees must be paid in full before the permit is issued.

I am submitting the following:

- Complete application
- Sketch that depicts location of trees proposed for removal (see page 1, section 3)
- Photographs of trees proposed for removal (see page 2, section 3)
- Landmark/historic tree inventory and report (see page 3, section 5)
- Mitigation plan (see page 3, section 5)
