**New Business:**

**Membership Drive** (Sue Taylor)

Everyone is requested to mail out membership pleas to 10 friends!

**Art Market** (Sue Taylor)

We are in negotiation with the Chamber of Commerce to take over Art in the Sun held in June and give up Art Market during Victorian Festival. This will give us much more creative control over our own event and be much more financially lucrative for us. Another meeting will be held with the Chamber to finalize details and will be presented at the December meeting for a vote.

**Parks & Recreation Collaboration**

A meeting has been held with Traci Sincock, Director of PAR, to explore decreasing PAR's involvement with the Art House. This should also be a better financial move for us and give us more control over the Art House. A follow-up meeting will be held with Traci after Thanksgiving to work out more details.

**Committee Reports:**
